Gentlemen,

I have immediately pulled all promos, drops and sweepers off the air using Huggy Low Down's name. I have forwarded new drops for Tom Joyner to cut in the AM, and to our voice guy Bill Travis to also voice. Starting 2morrow morning, Huggy will be referred to as the "Celebrity Snitch".

Tom and The "Celebrity Snitch", will reveal why he has the "Celebrity Snitch" name. The feature will remain at 6:40am (the reply) and at 8:40am respectively. The remainder of the week Tom only, will refer to Huggy as "Celebrity Snitch" formerly known as Huggy.

April 24th 2008(Spring Book) we will be able to return on the air as Huggy Low Down, unless otherwise notified by legal.

We will also remove Huggy's name from the website by 12 noon.

If you can think of any other elements I may have forgotten, please let me know. kb
